back. Paetow got the ball with good field position off a kick return and capped the drive off with a 15-yard touchdown run by Javaughn Waldron, taking an 8-7 lead after a two-point conversion.

From that point on though, it was all Jordan. The Warriors went back ahead on a field goal by Wilson Kalvass and cemented their lead going into halftime by getting a touchdown on a 41-yard pass from Colin Willetts to Andrew Marsh.

"We knew we couldn't overlook this week," Gasper said. "This is 6A and the competition is very good. Paetow fought hard tonight, and we knew we couldn't look past them. You have to work every week to get better no matter who it is you're playing and that's what we did this week. I'm just happy to have helped the team and that we got this win."

The second half was dominated on defense by Jordan but the offense made plays as well, with Kalvass hitting another field goal in the third quarter and Gasper running in a 6-yard touchdown in the fourth to seal the game.

Gasper finished the night with two touchdowns runs and 83 yards on 13 carries, adding 31 more yards in the receiving game. Colin Willetts threw for 230 yards on 18 of 22 completions while Andrew Marsh caught seven passes for 97 yards and a score and Van Keith Brown added three catches for 64 yards.

"Chad is such a big piece of this offense," Rabe said. "He can do everything. We can hand it to him, we can split it out and throw it too him because he runs great routes and he also blocks really well for us. Running and passing he is an integral part of our

offense."

Jordan, the last undefeated team in District 19-6A, will take on the district favorite in Katy next. It's a matchup that the Warriors have had marked on their calendars since before the season started and they can't wait to get to Friday night.

"We have to just hit it hard and practice with even more tenacity," Dallas-Patrick Alo-Suliafu said. "This is a team you want to test yourself against. You want to play the best and this is a team that is known to dominate district and Texas. We have to prepare better than we have before and be more locked in that we have. I'm excited for it."

**WATER DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE**

The FRY ROAD M.U.D. will hold a public hearing on a proposed tax rate for the tax year 2023 on October 17, 2023, at 4:00 p.m. at Fry Road District Administration Building, 20111 Saums Road, Katy, TX 77449. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

**NOTICE OF VOTE ON TAX RATE**

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 3.5 percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, Water Code. An election is not required if the adopted tax rate is less than or equal to the voter-approval tax rate.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
