JORDAN

from page B1

Cinco had the answer after that, as Marcus Gadlin ran in a 73-yard touchdown on the first play of the next drive, but Jordan added a third touchdown of the first quarter on a deep 50-yard pass from Willetts to Andrew Marsh. Willetts added his fourth touchdown of the day in the second quarter when he hit Tanner West on a screen pass that went for 75 yards before Jordan held the Cougars from scoring despite getting down inside the 1-yard line as Jordan went into the half up 27-7.

Willetts finished the night 15 of 17 for 280 yards and five touchdowns while West had 95 yards receiving, 30 yards rushing and three total touchdowns — the sophomore's second straight games with over 100 yards from scrimmage.

"The game has really slowed down for me and I'm just getting used to it I think," West said. "It's just gotten more comfortable for me in the offense and things keep getting better. They use me in a lot of different ways and it's just a fun offense to be a part of."

Deacon Stanfield and Connor Babin celebrate after a touchdown during Friday's game between Jordan and Cinco Ranch at Rhodes Stadium.

DOMENIC GREY | SPECIAL TO THE KATY TIMES

Cinco tried to get back into things and put together a strong drive to start the second half that ended with a 1-yard touchdown run by Tessiah Young and it looked like the Cougars might pull momentum back in their favor after a fumble recover on the ensuing kickoff, but Bryce

Coffie made a huge play to intercept a pass in the endzone and get that momentum back. Jordan went right down the field after and scored on a 14-yard pass from Willetts to West. The Warriors added another score on a 1-yard run from Ifeanyi Monye and Cinco managed one more

score on a 30-yard pass from Davis Roup to Taytum Johnson, but Jordan sealed it with another touchdown on a 3-yard run from West as Jordan secured a big bounce back win.

"I was super proud of our defense tonight," Rabe said. "Those guys executed the plan really well against a good team. Cinco puts a lot of stress on you and runs the ball efficiently while stretching the field with the pass game. So to be able to slow that down and take some of that away from them was very rewarding."

The Warriors will take on Seven Lakes next week as Jordan looks to continue to push for its first ever playoff berth

"This was just a great time for us to step up," Coffie said. "We proved we could hang with anyone last game and I think it kind of proved some things to ourselves on the defense side too. It carried over today, we stopped the run and the secondary stepped up. We just have to keep playing like this going forward."

Water District Notice of Public Hearing on Tax Rate

The HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 540 will hold a public hearing on a proposed tax rate for the tax year 2023 on Thursday, October 26, 2023 at 10:00 a.m. at the offices of Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

FOR the proposal:	Shawn Pachlhofer, Jennifer Coleman, Sonia Soto, Joshua D Board
AGAINST the proposal:	None
PRESENT and not voting:	None
ABSENT:	None

The following table compares taxes on an average residence homestead in this taxing unit last year to taxes proposed on the average residence homestead this year.

	Last Year \$1.50000 /\$100 Adopted	This Year \$1.50000 /\$100 Proposed
Total tax rate (per \$100 of value)	\$1.50000 /\$100	\$1.50000 /\$100
Difference in rates per \$100 of value	\$0.00000 /\$100	
Percentage increase/decrease in rates (+/-)	0.00%	
Average appraised residence homestead value	\$0.00	\$369,803.00
General homestead exemptions available (excluding 65 years of age or older or disabled person's exemptions)	\$0.00	\$0.00
Average residence homestead taxable value	\$0.00	\$369,803.00
Tax on average residence homestead	\$0.00	\$5,547.05
Annual increase/decrease in taxes if proposed tax rate is adopted (+/-) and percentage of increase (+/-)	\$5,547.05	0.00%

NOTICE OF TAXPAYERS' RIGHT TO ELECTION TO REDUCE TAX RATE

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 8 percent, the qualified voters of the district by petition may require that an election be held to determine whether to reduce the operation and maintenance tax rate to the voter-approval tax rate under Section 49.23603, Water Code.

There were no residential homesteads on either January 1, 2022 or January 1, 2023, therefore the tax that would have been imposed on a residential homestead is \$0.00. Due to this the tax election rate is not applicable for 2023 tax year.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

Should you have any questions concerning this notice, please contact the tax office at 281-482-0216.

Water District Notice of Public Hearing on Tax Rate

The Katy Management District No. 1 will hold a public hearing on a proposed tax rate for the tax year 2023 on Wednesday, October 25, 2023 at 11:00 a.m. at the at the Katy Civic Center, 910 Ave. C, Katy, Texas 77493. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.
