Katy ISD Provides Evaluations for Students with Suspected Disabilities
The Katy Independent School District Department of Special Education provides evaluations for students with suspected disabilities to identify every student with a disability living within the district's boundaries. These evaluations are designed to help identify children who may qualify for the district's special education or Section 504 program.

Students with all categories of disabilities between the ages of 3 and 21 can be provided with services to ensure their success in school. These services and supports may be provided through Section 504 of the Rehabilitation Act or through the Individuals with Disabilities Education Act. Special Education services are also available to children who are visually and/or auditory impaired starting at birth.

If you are aware of a child who may be challenged with a disability, please contact the Katy ISD Department of Special Education at 281-396-2066. The Department of Special Education will coordinate efforts to evaluate the student and, if eligible, ensure that the student is provided with supports and services needed to obtain academic and non-academic benefit. Please do not hesitate to call should you have any questions.
