Katy ISD Provides Screenings for Students with Suspected

The Katy Independent School District Special Education Department provides screenings for students with suspected disabilities in an effort to identify every student with a disability who lives within the district's boundaries. The screenings are designed to help iden tify children who may qualify for the district's special education programs.

Students with all categories of disabilities between the ages of three and 21 can be provided with services to ensure their successful participation in school. These services and supports may be provided through Section 504 of the Rehabilitation Act or through the Individuals with Disabilities Education Improvement Act. Special Education services are also available to children who are visually and/or auditory impaired starting at birth.

If you are aware of a child who may be challenged with a disability, please contact the Katy ISO Special Education office at 281-396-2066. The Special Education office will coordinate efforts to evaluate the student and, if eligible, ensure that the student is pro vided with supports and services needed to benefit from instruction. Please do not hesitate to call should you have any questions or concerns.
